## Multicultural Aged Care Connector

Helping you to access aged care services

The EnCOMPASS Program is funded by the Federation of Ethnic Communities' Councils of Australia (FECCA). EnCOMPASS organisations have EnCOMPASS Connectors – people who are there to help you find support in your preferred language.

### Who can access EnCOMPASS Connectors?

This is a **FREE** service for people aged 65 and older from non-English speaking backgrounds, their carers and families.

### How can ANHF EnCOMPASS Connector help me?

- Help you in your preferred language (Cantonese or Mandarin) to obtain information on how to access aged care support, e.g., social activities, help with shopping/showering, nursing care etc
- Provide one-on-one support to help you access My Aged Care
- Assist those who are already registered with My Aged Care to change the type of aged care service they receive
